Shree Metal Udhyog

<https://www.shreemetaludhyog.com/>

Being a reckoned name, we are engaged in manufacturing, exporting and supplying Kitchen Appliances and Metal Utensils, Statues & Corporate Gifts. Our offerings are regarded widely, owing to their optimum finish.

About Us

With the objective to broaden our horizons and to make our presence felt across the globe, **Shree Metal Udhyog** was founded in the year **2004**, as a name responsible for manufacturing, supplying, trading and exporting a diverse array of Kitchen Appliances, Corporate Gifts and Statues. Crafted with intricate designs & glossy finish, these products have become our customers favorites and are asked for widely in the market. Under our product gamut, we have assorted Kansa Tray Sets, Broze Thali Sets and Kansa Thali Sets that can be used for decor and household needs. On the account of offering these products, we assure our customers unique designs with a perfect blend of contemporary & traditional patterns. We exports our products to **U.S, Australia and Kenya**.

It has been possible for us to meet our customers expectations both in terms of quality & quantity, backed by our sophisticated and advanced infrastructural facility as well as team of diligent craftsmen. Our workplace is organized & coordinated, equipped with advanced technology based equipment and these facilities play a catalyzing role in the accomplishment of our business tasks. Our professionals, utilizing their years of industry experience and our availed facilities, are successfully conducting our business tasks. In the process, we pay utmost consideration towards maintaining stringent quality protocols, so that outcomes finally delivered are flawless in...
